

## MEETING MINUTES JULY 17<sup>th</sup>, 2010

Attendance: Tabur, StPierre, Benson, Jedras, Mezer, Vercollone, Iandonsi, Dube, Wagner, Thimble, McMahon, Walsh, Cronin, Rezendes, Yeo, Johannessen

Plebe letter writing party went well and everyone attending wrote cards and letters to our new cadets. WPPC of MA also sent letters to 12 International new cadets who do not have family here in the states. These new cadets were from countries like the Congo, Rwanda and Jordan. One parent is continuing sending the International students letters, great job. Sixty one letters from parents offering encouragement to continue to become a cadet. Appetizers, desserts and a few adult beverages made the day go by quickly while enduring a couple of downpours. We talked with new parents about A-day and what the clubs older cadets are now doing.

The club is still trying to fill a few positions, secretary, membership, listserve, cadet and grad activities. I am hoping a class of 2013 or 2014 parent fills these positions. The club is only what our members make it. We are here to help and support all classes and make each year better than the last for our cadets. Please consider giving some time to support our corps, MA. Please call me or George Jedras to discuss what each position does for the club.

### Club business:

We are in the process of updating our website. Buses and price are also being discussed and our first bus for labor Day. R-day was a huge success with George Jedras, my wife Cindy and I attending. The club plans on continuing R-day in support of cadet candidates and their families. Our membership drive will be kicking off shortly and hope all our parents support our efforts. The MA club tailgate is Sept 18th, Army vs. N. Texas, Tim McMahon will be running this event and the club is hoping to make this better than last years. Call Tim if you are willing to help, its all for our MA cadets. If you are unable to attend but still wish to help, ask Tim what you can do or give.

WPSNE family picnic is July 24th, 11:00 til 4:00 pm Green Meadow Farms, 650 Asbury St., So., Hamilton MA. Mrs. Joanne Patton invites us to return to her home for an old style picnic. Please call 781-308-8836 to RSVP. Please bring your picnic lunch, lawn chairs or blanket. Meet and greet alumni of West Point and best of all, meet Mrs. Patton a true treasure of the Army family. You are always welcome to tour her home and step into a little bit of Army history. This is just a small part of your journey that your cadets will be making.

Thanks,

Bill Yeo  
*WPPC President*
