

Car Pool List Instructions

Save the WPPC-MA car-pool email that members periodically receive. When you are ready to seek or offer a ride, hit "Reply-All" to this email. Describe the ride you seek, or the ride you wish to offer. Once other members respond, do not use "Reply-All" for subsequent emails. Communicate only with your potential car pool member.

Please do not use the car-pool list on a weekend that the club is running a bus service.

If you wish to be removed from the car pool list, or wish to be added to the list, contact the WPPC-MA at wppcma@gmail.com. Please do not use the car-pool email list for any purpose other than requesting / offering rides to West Point, and do not share the list outside our club.

The car pooling process is a member driven process. While you may reply to this email with questions on the process, please keep in mind that the Club does not arrange car pool rides. We've found that the process is much more efficient when users arrange rides themselves.

Thanks! We hope the car pool list eases your West Point transportation needs.

Sincerely,

Your WPPC of MA
